

This year, the presentations will be broken into 2 rooms and two sessions.

The topics covered will be:

Temporary Food Service Guidelines

- stories from the extreme home makeover in Pekin, IL

Equipment Maintenance and emergency response:

- a representative from Johnson Mechanical will speak about refrigeration maintenance and troubleshooting

Complaint/problem Management:

- Different types of complaints and problems and how to find resolution

Legal Problems in food service:

- a history of litigation in food-service and its impact on food safety.

6th Annual Food Safety Seminar

Tazewell County Health Department invites you to our annual Food Safety Seminar.

This is the 6th year we have had our educational format where presenters speak about issues dealing with food safety, facility maintenance and informative topics relating to food service.

For those who remember, this was once an award ceremony for those receiving the excellence awards given out by TCHD. These were always entertaining, but never provided any additional incentives for other establishments to attend. Remember, any FSSMC licensed food manager must complete 5 hours of continuing education credits to maintain their license. This seminar provides 3 of the 5 hours required.

Also, this event provides an excellent opportunity to network with other licensed establishments in the county. Please help us make this event another success as years past and come to Tazewell County Health Department's Food Safety Seminar.

Food Safety Seminar 2010

**March 18th, 2010
8:00 am to 12:00 pm
Lunch 12:00 pm to 12:45 pm,
Food Excellence Awards follow lunch.
Pekin Moose Lodge
2605 Broadway, Pekin IL**

**Please use one form for each applicant.
Make copies for additional registrants
(if needed).
Fee: \$30 Per person (includes lunch).
Please make checks payable to TCHD.**

TCHD Environmental Health is hosting a food safety seminar on March 18th, 2010. There are many great reasons to attend:

- 1) **3 continuing education credit hours** will be given to Food Service Sanitation Certified Managers (FSSMC).
- 2) Food excellence awards will be presented following the lunch hour.

Registration is only \$30.00, which will include lunch.

For further information, please contact your food inspector. Or call (309) 925-5511 ext.225
